

Southwest Washington Consortium on HIV and AIDS

"a partnership of service and support"

PO Box 9825 • Vancouver, WA 98666-8825 • (360) 397-8444

What is the Consortium?

The Consortium was formed in 1992 to respond to the needs of our HIV positive community. It consists of persons living with HIV, community members, and agencies. The purpose of the Consortium is to decide how to use federal funds in the best way to help those affected by HIV/AIDS.

What can I do?

We need your help to make the Consortium work! You can make a difference in our community by getting involved and making your voice heard. We need to hear what is important to you, a person living with HIV. What are your needs? What is needed to make your life better? How can we use the federal funds to help and support you?

Can I really make a difference?

We can't do it without you. We want you to have a voice in making the decisions that affect you.

Please consider coming to one of our monthly meetings....

*theSouthwest Washinton Consortium on HIV and AIDS
meets the third Monday of every month at 4:00 pm
at the Clark County Health Department Auditorium
